Justin Olson and the entire Gull Lake Drifters snowmobile club have put a lot of man hours into working with landowners, prep, and now because of storms clearing the race course for you guys to enjoy this weekend.

**NO PRE RIDING THE COURSE!!**

If caught pre riding the course you will be disqualified and not receive a refund, **STAY OFF THE COURSE!!**

Justin has provided this map to show areas not on the race course that are ditches and trails that you can run right from the pits, use these areas but remember these are public riding areas and trails so be respectful of landowners and other people using these trails

While in the area make sure to support those who are supporting the event!
